Harvard University

CS50's Introduction to Cybersecurity

2023-2024

Freecodecamp.org

Front End Development Libraries

2024

SKILLS & PROFICIENCIES

HTML, CSS, Javascript, Python, ReactJs, Vite, jQuery, TypeScript, PHP, SQL, Bootstrap, SASS.

LANGUAGES

- Portuguese (Native)
- English (Fluent)
- Spanish (Fluent)

</SOFTWARE ENGINEER>

Dear Hiring Manager,

I am writing to express my interest in joining your esteemed team, as advertised. With a Bachelor's degree in Computer Science and Engineering from **Rayat Bahra University**, along with certifications in Cyber Security from **Harvard University** and Frontend Development Libraries from **freeCodeCamp**, I am excited about the opportunity to contribute my skills and expertise to your organization.

During my tenure at various organizations, I have had the privilege of working on diverse projects that have honed my skills in front-end development and user interface design. I am particularly proud of leading the development of user-centric applications aimed at optimizing business processes and improving customer experiences.

One of my most rewarding experiences was spearheading the redesign of a customer portal, where I implemented cutting-edge technologies to enhance usability and functionality. This project allowed me to leverage my expertise in React, Redux, and Bootstrap to deliver a seamless and intuitive user interface.

I am drawn to companies that value innovation and excellence in software development. I am eager to bring my passion for creating exceptional user experiences and my technical proficiency to your dynamic team.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills and experiences align with the needs of your organization.

Please find my resume attached for your review.

Warm regards,

Joao Marcos Jova
